

YEAR 3 – Green Class: EMERGENCY HOMEWORK

Topic:

We will be studying the Tudors in the New Year (2011). Do some research on the Tudors.

Who were they?

When did they live?

Who do you think was the most important Tudor monarch (king/queen)?

How would you recognise a Tudor building?

Draw a picture of a Tudor building.

Learn about jousting.

Research: <http://www.woodlands-junior.kent.sch.uk/Homework/Tudors.html>

Game: <http://www.tudorbritain.org/joust/>

Literacy:

Imagine what would happen if you were tiny... perhaps you drank a potion... now you are the size of a 50p.

Would it be scary?

Would it be exciting?

What could you do if you were tiny?

What couldn't you do if you were tiny?

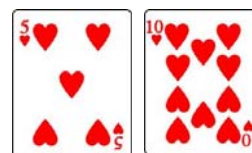

Write a story describing what happened the day you shrank.

Numeracy:

As well as practising times tables (grids available under "Numeracy" on homepage), try this activity:

Take a pack of cards. Choose a suit. Remove the picture cards.

Deal 2 cards face up:

Highest number	Operator	Lowest number	Equals	Answer
10	x	5	=	50
10	+	5	=	15
10	-	5	=	5
