

Red class extra homework

Hopefully we will see you next week but just in case...

- You could make a weather picture – collage would be nice, any size. The pictures already sent in are lovely!!
- Our “Letters and Sounds” sounds this week are **x** and **qu**, the homework sheets are in your child’s “Letters and Sounds” folder in the book bag.
- You could find out who our **queen** is and make a picture of her – any way you like.
- There are some **x** words that are great for spelling together **fox box Max six mix fix**
Ask the children to sound out the words with you... we ask them to SAY IT, HEAR IT, WRITE IT.
- There are new reading books in the book bag for you to share at home.
- You could take some photos of the fun you have been having in the snow and bring them in for Show and Tell.
- Did anybody make a snowman? I would love to see pictures – photos or drawn. Who can make the biggest one?? You could measure how tall he is!!!
- Anything else you do or make at home I would love to see! Send it in 😊

(We have put a few pieces of paper in the book bag in case you need it)

Take care in the snow!! Miss Sale x
