Celebrating differences

Recognise how we are different to others and how we can value these differences.

Knowledge of the world

What is a season? We will look at the different seasons and months of the year that fall into those seasons.

What happens in nature during Autumn? Which animals prepare to hibernate?

(Leaves fall off trees, plants stop growing and the days get darker. The weather turns colder and some animals hibernate. Hedgehogs make warm beds and sleep through the cold months, birds fly to warmer countries).

Identify some trees by their leaves and seeds (horse chestnut, oak, beech)

Explore Bonfire night and the events of the past which has led us to celebrations in the present. Who was Guy Fawkes?
