- ⇒Friday 3 May 2024
- ⇒Friday 28 June 2024

It's been a brilliant week here at The Manor, with a real focus on reading across school.

On Monday, we were joined by Paul Jenkins, a hilarious poet who kicked off the week with a tremendous assembly and then worked with all children in the classrooms to create their own poems as a class.

Yesterday, we celebrated World Book Day in school with a huge host of different activities in school. A big thank you to all families that supported children to take part in our various competitions (Extreme Reading, Potato characters and Story Time Challenge) and a well done to our winners. It was incredibly difficult to choose a handful of winners as all entrants were fantastic!

Finally, we hope you all enjoyed our World Book Day celebration in the hall today - thank you for stopping by and celebrating with us!

Next week is British Science week. The children can look forward to a number of hands-on science related activities in school which we're sure the children will really enjoy and engage with.

Have a wonderful weekend,
Team Manor

Comic Relief Day—Friday 15th March 2024

For Red Nose Day, children are invited to wear a red nose in to school and bring £1 to donate to the Comic Relief Charity.

Safeguarding Corner

What is Body Safety?

Body safety means understanding that our bodies belong to us, and we have the right to feel safe and respected at all times. It's about knowing that nobody should touch us in a way that makes us uncomfortable, and if anyone does, we have the right to say no and seek help.

Top Tips for you to share with your children:

Know Your Body: Learn the correct names for your body parts, and understand that certain parts are private and should not be touched by others.

Trust Your Feelings: If something doesn't feel right or makes you uncomfortable, tell a trusted adult right away. Your feelings are important, and you have the right to speak up.

Safe Secrets vs. Unsafe Secrets: Remember that it's okay to have fun secrets with friends, but secrets that make you feel scared or uncomfortable are not okay. Always share those secrets with a trusted adult.
