

The Manor CE Primary School

*Aspire, Believe, Achieve
Shine like stars in the sky*

We are all so proud of our amazing Year 6 children who have completed their SATs this week – their focus, determination and incredibly positive attitude this week has been nothing short of outstanding. They have all enjoyed the special Y6 breakfast every morning before their tests and the Dominoes Pizza lunch on Friday, kindly funded by FOMS, was a great way for them to end the week. We hope the sun shines for them next week when they are away at camp in Okehampton.

Thank you to FOMs for running a really successful disco this week – it was so lovely to see all the children having such a wonderful time there.

Fancy Dress Request

Children are really enjoying using our supply of fancy dress costumes at lunchtime. If you have any fancy dress that would fit our older children, please do drop these off at the office – the children would really appreciate any additions to their collection!

Absences

It is a safeguarding concern if your child is not in school and we do not know why. If your child is not attending school, you must telephone or email the school office by 9am every day that your child is absent.

Holiday

We encourage holidays to be taken, whenever possible, during school holidays. However if you do need to take your child out during term-time, please email us in advance to inform us of your child's absence. It will be marked on the register as unauthorised.

Year 6 Leavers Dates

Year 6 will be performing their play on Tuesday 12th July and 2 tickets per child, per performance will be available. The performance times are 2pm and 5:30pm.

The Leavers Assembly will take place in the school hall on Thursday 21st July at 10am. Year 6 family and friends are invited to attend—further details to follow.

On the last day of term, the Year 6 children will have the traditional Manor send-off through the front entrance at 3:25pm so all staff are there to say their goodbyes.

Antarctica Class

This week we have been doing lots of great writing. Yesterday in RE we explored the inside of a Mosque. The children compared the building to the Church we explored last week.

Australia Class

A fabulous week in Year One. We have all gone a little crazy talking alien and painting Lego queens! **Next week our PE days are changing to Tuesday and Friday. Please ensure your child is appropriately dressed for this.** 😊

Africa Class

We enjoyed learning about Eid-ul-Fitr this week in R.E and celebrated by trying different types of food. Our favourites were vegetable samosas and poppadoms!

Europe Class

Year 3 have been busy in computing this week. They have been learning how to send and receive emails using the 2email platform on Purple Mash.

Asia Class

In Asia class this week, we have been creating some amazing animations within our computing topic. Head to our Facebook page to see! Miss Spencer would also like to congratulate the Year 4 efforts to learn their times tables, so many children are consistently scoring 20 or more! Keep up the amazing work guys, you make me so very proud 😊

North America Class

Year Five have been learning about the planets and produced some fantastic planet mobiles to show their knowledge.

South America Class

I am so proud of the Year 6's this week as they tackled the SATS with positivity and enthusiasm. You SMASHED it guys!

COFFEE
MORNING

Thursday 26th May

8.40am (straight after drop-off) until
9.30am (or we run out of cake!)

We would love for you to join us for an informal, coffee and cake morning. No presentation or agenda, just an opportunity to chat to one another, develop our school community and eat some cake!

AIP, our new catering providers, will also be providing some of the sweet treats.

COME AND JOIN US! 😊

The Queen's Platinum Jubilee Celebrations

Friday 27th May

Please can children wear **red**, **white** and **blue** clothes to school on this day.

We will be holding a 'Royal Variety Show' for the children as part of this day – classes will hold their individual talent auditions from Monday to Thursday of this week, with the top three acts from each class performing at the final show in front of the rest of the school. Please get children working on their acts at home if they want to take part in the auditions (no longer than 3 minutes long for each performance please).

We will also be holding a parade through the school grounds with all the children – if they would like to make a crown to wear to this and to wear to the afternoon tea please make this at home and the children can wear it on the day (no competition – this is just for fun)!

We would love for you to join us for afternoon tea at 2.00pm – all families and friends welcome to join us to celebrate the jubilee and being able to meet again as our whole school community (further details sent nearer the time).

Please can we ask for donations of cakes on the day – we want all the children and all families and friends who join us to have plenty to eat – if all children could bring in shop-bought or homemade cake/s they will be enough for us all to share (no nuts please due to allergies).
