Monday 28th February

New School Lunch Provider

We have had a very successful first meal service with our new caterers, AiP. The children were very excited to see the new system with one commenting "It's just like a restaurant but better, as you don't have to sit and chat with the adults!" Lots of children commented that they now wanted a cooked dinner tomorrow!

As a school, we were really impressed with the portion size and the quality and range of food that was provided. There was a small issue with some of the sandwich requests today, but everyone was fed and appeared very happy with their food. We will ensure the issue with sandwiches and baguettes is sorted for tomorrow's lunch service.

We understand the issue with ParentPay may continue for some time – please can you just continue to credit your meal account when your child has a meal. The children will choose their meal when they get to the hatch.

The menu can be found here - <https://www.themanorcofeprimary.org.uk/school-dinners> (please check you have the correct week - **this week is week 3**)
