A great first week back at The Manor and the sun is finally beginning to shine for us! The children have impressed us with enthusiasm to jump straight back into their learning and it has been so lovely to see the smiling faces around school again.

Today we held our Learning Champions Assembly for Term 4. Well done to those children who were selected. As always, it is always so difficult for teachers to choose just one child to receive this reward as all of the children try their best and shine like stars in the sky.

A gentle reminder that we are opening our classroom doors once again on Monday from 2.45pm. We will then ask all parents/carers to leave the by 3.10pm so that teachers can escort all remaining children out for usual collection. Once you have finished celebrating your child's learning with them, you are welcome to take them home. Have a lovely weekend.

Is my child too ill to attend School?

It can be tricky deciding whether or not to keep your child off school when they're unwell.

There are government guidelines for schools and nurseries about managing specific infectious diseases at GOV.UK. These say when children should be kept off school and when they shouldn't.

Please see the link below for further guidance:

IS MY CHILD TOO ILL FOR SCHOOL?

yes until... NHS

|-------------------------------|---|
| CHICKENPOX | All but 5 days from the onset of the rash and until all blisters have crusted over. |
| DIARRHOEA AND VOMITING | 48 hours after their last episode. |
| HIGH TEMPERATURE | If your child has a high temperature, keep them off school until it goes away. |
| IMPETIGO | Their sores have crusted and healed, or 48 hours after they started antibiotics. |
| MEASLES | 4 days after the rash first appeared. |
| MENINGITIS | 5 days after their swelling started. |
| SCABIES | They've had their first treatment. |
| SCARLET FEVER | 24 hours after they started taking antibiotics. |
| WHOOPING COUGH | 48 hours after they started taking antibiotics. |

NO

| | |
|-------------------------------|---|
| CONJUNCTIVITIS | You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly. |
| COUGHS & COLDS | It's fine to send your child to school with a minor cough or common cold. |
| HAND, FOOT & MOUTH | If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. |
| HEAD LICE | There's no need to keep your child off school. You can treat head lice and nits without seeing your GP. |
| THROAT INFLAMMATION | Speak to your pharmacist, who can recommend treatment. |
| SORE THROAT | You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. |
| TONSILLITIS | You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away. |
| SLEPPED CHECKS | You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious. |

Safeguarding Corner

We would like to remind our families that in order to fulfil our safeguarding duties, it is vital that we are informed if your child is unwell and unable to attend school. It is also crucial that you inform the school if your child is going home with another child/family after school or after wrap-around care. We are unable to take this information from the children.

Thank you for your understanding with this.

Reporting Absences

EVERY STUDENT EVERY DAY

Attendance Matters

If your child is unwell or unable to attend school for any reason, parents/carers must telephone the school office on 01454 866555 before 9am and a message should be left stating the reason(s) the child can-not attend.

We operate an **EVERYDAY** call system and if a reason for absence has not been communicated to the school office by 9:30 a.m. a text to the parent or carer will be made and a follow up call made if necessary.

If no reason has been given for any absence(s) then this will be logged as an **unauthorised absence**.

EVERY DAY CALLING IS AN EFFECTIVE MEASURE THAT HELPS ENSURE CHILDREN ARE SAFE.

The Manor CE Primary School

As a school we set high targets for our children's attendance as we know that regular consistent attendance makes a huge difference to their learning:

If children are not in school they miss key parts of their learning.

Our current target for **all** children is **97%** - thank you for supporting us with this.

Term Time Holiday-Absence

The Department of Education's guidance encourages all schools to take a much firmer stance on absence authorised in term times. Parents do not have the right to take their child out of school for holidays.

Where absence is wanted for any reason during school time, it is important to email school and inform us of your intentions in advance. E-mail: manorprimary@sgmail.org.uk

Please be advised that we are unable to authorise any term time holiday requests, – parents need to email and inform school of their intentions to take a holiday in advance, this will be **unauthorised**, and will be recorded as G code for family holiday (unauthorised).

Other Circumstances that would not be authorised are:

- Family Holidays;
- Relatives coming to visit;
- Family day trips/shopping days
- Visiting family who have different half terms or holiday;
- Grandparents/family members that have booked a holiday and parents were not aware of the dates;
- Re-occurring car/traffic problems;
- Parents/siblings are ill and therefore unable to get children to school.

How many days does your child attend School?

There are **190** days in a school year which leaves **175** days to spend with family for birthdays, special occasions, holidays, shopping, appointments and other things.

Reminders

Our school gates are open at **8:40am**, where a member of staff will welcome pupils into school. Gates close at **8:50am** (if you arrive after this time you will need to enter through the main school entrance).

If a child is unwell, a telephone call message should be left on 01454 866555 before 9am on the first day of absence stating the reason the child can-not attend.

We operate an everyday call system and if a reason for absence has not been communicated to the school office by 9:30 a.m. a call/text to the parent or carer will be made. Every day calling is an effective measure that helps ensure children are safe.

We are unable to authorise any holiday in term time.

SHARE THE LOLLIPOP SMILE

Schools lucky enough to have a patrol that serves their school gets the opportunity to cross a busier road with a friendly face each morning and afternoon. Using the Patrol can help to ensure a safer journey to and from school.

- If you have a Lollipop person, use them.
- Wait for the Lollipop person to instruct you to cross.
- Always remember to dismount and walk your bikes and/or scooters.
- Never cross when using your mobile phone.
- Cross in front of them, so they can see you.
- Always cross together with the people you are travelling with.
- Do not idle on the pavement on either side of the crossing site.
- And of course, remember to smile and say thank you.

STOP MEANS STOP. IT'S THE LAW! When driving, ensure you stop when the sign is held up. It is a criminal offence to drive or ride through a stop sign.

Out in all weathers keeping you safe.

ACTIVITY TIME

Imagine you were a Lollipop person for the day. What people might you meet? What traffic might you encounter? Write a diary of your duty.

Lollipop people always wear the brightest of clothes, this is to help them be seen.

What bright colours can you use to make this lollipop person bright?

Wearing bright clothing when you are out and about can help you to be seen too.
