Year 5 Week 4

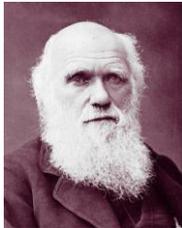

Welcome to our fourth weekly update, North America class. Thanks to everyone who has sent through work or submitted it on Purple Mash. It is so nice to see what you are learning at home. I have been checking in on Times Tables Rockstars and Ed Shed spelling pages.

Keep practising those skills and remember to do a range of activities and use different websites!

The next newsletter will be released on Friday 1st May.

Thank you to everyone who has sent in photos of you learning at home - please continue sending this through to manorprimary@sgmail.org.uk Please remember if you do not want your child's image shared please do not include it on any photos you send us.

English & Topic

Hopefully you will have seen the Knowledge organiser for this term which has been sent out to you all. For this first week for our 'Adapting to our World' topic, I would like you to find out all about Charles Darwin.

Research this famous naturalists thinking about the following questions:

- *When was he born/when did he die?*
- *What was his life (family, circumstances) like?*
- *What was the world like at the time he lived?*
What else was happening at this time?
- *Why do we remember him?*
- *What beliefs and ideas did he have?*
- *Do you agree with him or have questions about his thinking?*

After you have found out all about him, please share your findings by producing a factfile, an information text or a poster to communicate your research. Consider your presentation as well as your content. Email them (or photos of them) to me so that I can see all your great work!

Maths

As well as Time Tables Rockstars and Purple Mash maths activities (again, I have added more), please can you go to the White Rose Maths Hub and watch the clip then complete the activities Summer Term Week 2 – Rounding, ordering and comparing decimals and understanding percentages, fractions and decimals.

(click on link below:

<https://whiterosemaths.com/homelearning/year-5/>

then click on Week 2 – the lessons will drop down).

See if you can spot the links between fractions, decimals and percentages.

Reading

Read Chapter 2 of 'Ollie and the Great Stink'. Ollie thinks he's going on an ordinary school trip but things do not work out as he planned.

When you have read Chapter 2, complete the quiz then write a set of rules for Miss Beach's classroom. Use the clues at the left hand side of the screen to give you ideas and help you structure your rules. Include images from the right hand side of the screen within your writing.

I have set these as To Dos on Purple Mash. Here is the link to the text

<https://www.purplemash.com/app/serialmash/OllieGreatStinkCh2>

I look forward to reading your letters.

Good luck!

Challenge

Ruby Power

- I actively listen to others when they talk - I use my eyes and ears.
- My positive learning behaviour allows others to learn.
- I recognise my own successes and accept praise from others.
- I can pick out examples of what I have done well.
- I encourage others to learn and praise them when they've been successful, saying what it is they did to be successful.
- I understand how others might feel when they make a mistake, or are disappointed; I try to cheer them up.
- I notice when others need help and I offer to support them.
- I can talk about my positive qualities as a learner and as a person.
- I can recognise qualities in others that make them capable learners and good people.

Stars of the Week

Each week I will be looking at our class blog, Ed Shed spellings and TT rock stars to spot our 'Stars of the Week'.

A massive well done to **Miles**, who has played 38 games, putting him in 25th position across the whole school. **Polly** is in 18th position.

Also over the last week, 14 children have logged onto TT Rockstars and have improved their times tables knowledge!

A shout-out goes to **James**, still ranked no.2 out of the whole school, **Sam** now in 6th place, **Lilly** ranked 7th (up one place!) and **Ava** ranked 9th (up 5 places since last week) – you guys have spent the most time on there! Great effort!

Purple Mash leader board

Week 4

Class	Percentage of pupils who have logged on in the last 7 days
Antarctica	10%
Australia	83%
Africa	89%
Europe	85%
Asia	63%
North America	79%
South America	88%

Monday 20th April 2020

Dear Parents and Guardians,

As most of you know this term's topic is 'In The Wild' which means we are going on a school trip to the Wild Place.

The children are going to be taking part in lots of different activities. The trip is taking place on Tuesday 28th April 2020.

The cost of this trip is £12.50. The children will be travelling by coach. Can you drop your child off at normal time, as we will be leaving at 9:15. Owl Junior School Your child will be dropped off at school at 3:45.

We expect your child to come dressed in old clothes that you don't mind getting dirty and make sure you bring wellies. Lunch is not going to be provided by The Wild Place so make sure you bring a packed lunch with you.

Please give permission and pay by Friday 24th April 2020.

Many thanks

Polly

Tiger

When people think of tigers, they think of a big orange cat that has black stripes. It uses those beautiful stripes to camouflage when hunting some sort of animal that is meat. They tend to hunt where there is long grass so that it is harder for its food to see it.

Tigers rip of the meat with their front teeth and then chew it with their back teeth. They have a very powerful jaw just like crocodiles except it is nowhere near as strong. They normally take their food and hide it especially in Zoos where there is a lot of people. They have long tongues so that they can lick off the remains of meat on the bones. Since they eat meat they are obviously carnivores.

22nd April 2020

Dear Parents and Guardians,

I am writing to you to tell you what a amazing trip i had at the farm last Thursday 16th April.

We arrived at the farm, after a coach trip from school which took about an hour. The reason we were visiting was to see how a chicken lays an egg.

When we got to the farm we saw dogs and cows first when we walked in. The dogs ran up to us, the class asked if we can pet them. mr nickels said yes it was ok but "be gentle ." his fur was fluffy.

We saw pigs cows chickens sheep and ducks in the pond. We saw a chicken lay an egg and brought it home for my tea.

Today was fun and I would like to go again with you.
