Another brilliant week here at The Manor! Despite the difficult weather we've encountered, the children have continued to come in each day with a super positive attitude to their learning and time in school. It is so great to see every day!

We'd like to say a big thank you to all parents who attended the Friends of Manor School AGM this week. Without their fantastic support throughout the year, many events and extra treats for the children just wouldn't be possible. It is that time of year again when the volunteers are hopeful that other parents/carers may join them in some way. There are so many ways in which you can help this group of parents to run some of their events – if you think you may have some availability to get involved, please do get in touch! Their email is Friendsofmanorschool@gmail.com – they are a very welcoming bunch!

We also included a short appeal in our class newsletters this term for any volunteers who would be willing to come in and offer some support to children with their reading. Giving all children the opportunity to read with an adult on a regular basis has such a huge impact on their reading development. If you think you can spare an hour or so each week to listen to some children read, we would love to hear from you!

No experience is required! You will be given any support/tips to make the sessions really worthwhile for the children. Please email manorprimary@sgmail.org.uk if you are interested.

We hope you all enjoy a brilliant weekend and we will see you all again on Monday morning.

Mr Israel

Harvest Festival

Our Harvest festival for Y1-6 will take place in church on Friday 13th October at 10.00am. All parents and carers are warmly invited to this. This year, our Harvest collection will again be for The North Bristol and South Glos. Food Bank which is based in Yate.

In the last financial year The North Bristol and South Glos. Food Bank fed 14,857 people in the local area and they are predicting this winter will see an even greater demand.

We will be taking donations for this incredibly important cause from Monday 9th October (children can bring donations into their classrooms and make them part of our Harvest display).

The food bank have asked us to collect **non- perishable / Long life foods**, with the following which in greatest need at the moment:

- | | |
|-----------------------|------------------------------------------|
| Cereal Bars | Washing powder |
| Washing up liquid | Brown Sauce |
| Sponge Puddings | Shaving foam /gel |
| Flour | Washing up liquid |
| Long life fruit juice | Instant mash |
| Instant noodles | Veggie Meals-not requiring refrigeration |

Play your part in keeping the area outside our school safe - message from South Glos Road Safety

During last year a total of 149 vehicles received a fixed penalty charge for parking or stopping outside our schools illegally, 28 of these were during term 1. Park Legal will be making regular appearances with foot patrols and camera cars this academic year to help ensure our community stays safer for all traveling to and from school.

The Highway code states:

Rule 238

You **MUST NOT** wait or park on yellow lines during the times of operation shown on nearby time plates (or zone entry signs if in a Controlled Parking Zone)

You **MUST NOT** wait or park, or stop to set down and pick up passengers, on school entrance markings when upright signs indicate a prohibition of stopping.
