Year 4 Term 6 Week 4

Hello Asia class. This week's theme is 'Sport'! Hopefully we will see some sunshine again over the course of the week and you will be able to do some activities out in the fresh air. Hope you are all well and keeping safe.

As always, the activities outlined below are for you to complete at your own leisure and there is no expectation for all activities to be completed. Have a look at the recommendations as a family and pick which ones work best for you. Don't forget there are still 2do's on Purple Mash and activities on Spelling Shed and TT Rock Stars.

Can't wait to see you enjoying the home learning via photos sent to:

asiaclass@sgmail.org.uk

English

This week you could focus on the theme of 'Sport' by completing these writing activities.

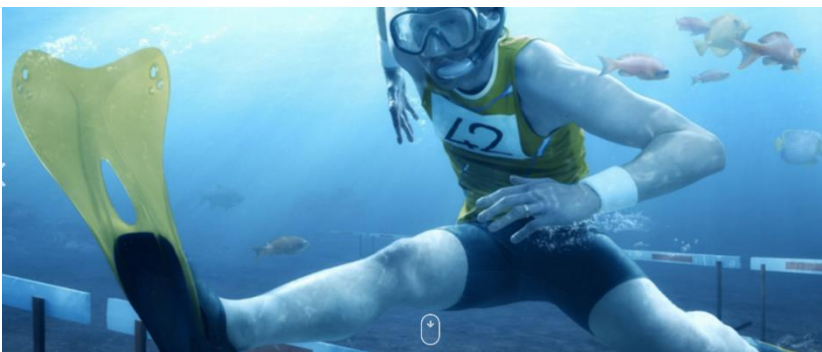

Visit The Literacy Shed website and watch the clip 'The Catch' <https://www.literacysshedplus.com/en-gb/resource/the-catch-ks2-activity-pack>. Try and write a celebration song of your own!

Choose a sports person you admire. Write a list of questions you would like to ask them. Then, you could answer in role as your hero or get a family member to do so. Ensure you use a range of question words.

Devise your very own sport, including rules, equipment needed and a scoring system. Why not test the sport out?

Write your own Underwater Olympic story. Use the picture below as a stimulus.

Choose a popular sport from another country and write your own set of instructions on how to play that sport.

BBC Bitesize post daily activities for English which you may also find useful.

Reading

Here are some 'Sport' reading ideas.

Read somewhere new and exciting. Take a picture and email it to me!
Visit Worldbookonline eBooks using Username: wbsupport and Password: distancelearn. Search for the title Play Sports! and read the eBook. Complete the activities at the back of the book.
Research and read online about The Olympics. Which sports would you like to try and why? Write 10 facts about The Olympics.
Listen to BBC Sport Podcasts. https://www.bbc.co.uk/programmes/b03g64pm/episodes/downloads Or read the sports section in newspapers/magazines.
Read this extract from Quiz Whiz Sport. Answer the questions on each page and record these in full sentences. https://www.lovereadings4kids.co.uk/extract/7810/Quiz-Whiz-Sport-by-Tom-Jackson.html

If you would like more books to explore, head on over to <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page> to find their free e-book library.

Maths

Here are some additional Maths ideas.

Watch this video about plotting coordinates. https://safeyoutube.net/w/8Iw6
Set up a treasure hunt in your home/garden. Use simple instructions like take 4 steps to the left. You could even use the points on a compass.
Play 'Alien Attack' using the first quadrant. https://mathsframe.co.uk/en/resources/resource/469/Coordinates-Alien-Attack Play 'Hit the coordinate'. Plot the coordinates. https://www.mathsisfun.com/data/click-coordinate.html
Set up a Times Table relay race. Can your child run lengths of a space and count in their times tables forwards and backwards?
Identify the average temperatures in these Olympic-hosting countries and then order them from Hottest to Coldest. France, Germany, Canada, Norway, and Russia.

Spellings

Here are some spelling activities.

Choose 5 sports that you are unsure of how to spell and practise them. Can you put them into sentences?
Practise spelling these words: myth, gym, Egypt, pyramid, mystery. Can you identify the spelling rule?
Alphabetical order: List each letter of the alphabet and ask your child to think of a sport related word that corresponds with each letter.
Rainbow words. Choose 5 Common Exception words and choose different colours to write each letter and create rainbow words. http://www.crosslee.manchester.sch.uk/serve_file/253974
Proof read your writing from this or last week. Use a dictionary to check spellings.

Topic

During this week it would be wonderful if you could engage in some learning opportunities to learn more about sporting events around the world. Here are a few ideas of what you could do.

- Our Sport Heroes- How many famous sports people can you name? Choose a sports person and research online about them. Can you find out how and when they started their career, or any other interesting facts about them? Create a timeline that details all of the achievements of your sporting hero.
- Tissue Paper Sports Logo - Use scrunched up tissue and paint to recreate the logo for your favourite sport team or design and create your own sport logo, perhaps for our school football team. You could sketch this with pencils as an alternative.
- Super Movers! - Take part in this football themed Super Movers! There are two levels - Super Movers are a great way to keep active and have fun! Try Go Noodle and dance along to one of the routines - there's plenty to choose from and the whole family can join in! Remember you can send a video to our class email! You could design a poster encouraging others to take part in sporting activities. What type of words could you use? Recommendation at least 2 hours of exercise a week.
- Sharing Sport Interests - Ask different family members about their favourite sports and any sports they took part in growing up - were they a part of any clubs? Did they take part in any competitions? Did they win any trophies? You might find out something new about your family members! Following this, can you use the information to write a newspaper report recounting one of the memorable events? You could include quotes from the interview.
- Powerful Paralympian - You could explore diversity in sport. Find out about the Paralympic games and famous Paralympian such as Ellie Simmonds. How have these people overcome challenges to represent their country in their chosen sport? Write a letter/email to your chosen athlete asking them questions about their sporting journey. Or do a detailed sketch of that athlete.

Here are some of the things that have been happening at home this week.

Here is Maisie W's under the sea poem from last week's theme!

Thank you to everyone who has emailed in home learning. I love receiving pictures of what everyone is up to so please keep sending them in and I will try and add as many as I can to the next newsletter. You can now send them to our new class email address asiaclass@sgmail.org.uk.
