We've enjoyed another hugely productive week in school, with all the children continuing to settle brilliantly into their new classes.

Our wonderful FOMs team met this week to celebrate the many achievements of the last academic year. The team raised an incredible amount of money for our school and have already started planning for various events this year for the children to enjoy. In a couple of weeks time, they are holding a coffee morning in school, straight after drop off on the 27th September. Please do put the date in your diaries now and come along and meet the FOMs team. There will be no pressure put on you to sign up to anything, we promise!

After school clubs are now up and running and it has been great to see so many children take part and engage. Please note, our after-school clubs run until 4.15pm. We ask that you ensure that you are ready to collect your child at that time as our staff members have other commitments that they must attend to. If your child is late being collected, they may incur a charge for joining our after-school club in the main hall. Thank you for your support with this.

With very best wishes, Team Manor

We are aware that many of our families are finding things tough at the moment.

We wanted to reach out and say – we may not have all the answers, but please do come and speak to Mrs Flanagan, Mr Israel or Mrs Mann – we may just be able to help.

As we start the new year, please ensure you inform school if a new or different adult is collecting your child at the end of the day. You can do this by contacting the main office or by telling a member of SLT on the playground in the morning. Thank you.

We will now be sharing important class dates and any remember to's on this part of our newsletter. Please remember to keep an eye on our Facebook page for class activities! <https://www.facebook.com/groups/930513833807729>

School lunch

Many thanks for ordering your school meals/home packed lunch option on Parentpay. As we see our numbers of school meals increasing, this really helps our kitchen staff when preparing the food.

Gentle reminder: From September, if a school meal has not been ordered for your child but they require one, they will be given Jacket Potato with Baked Beans (this is due to possible allergens in other meal options). Many thanks

Understanding Children's Challenging Behaviour – 3 week course

Tuesday 8th, 15th and 22nd October 2024, from 9.30–11.30am

This workshop is designed for parents/carers who want to support their children by understanding the reasons for challenging behaviour and develop parenting skills to respond when it occurs

You will be able to discuss areas of difficulty and develop positive parenting strategies to support your child, which will:

- help you understand why your child might behave in a challenging way and
- explore ways to promote positive communication within families

If you would like to sign up, please contact:
