## Year 3 Term 6 Week 5

Hello Europe class! I hope you are all well and staying safe. I miss you all so much and it has been lovely to receive great photos of you and your work this week. This week's theme is ...'Sport', if we were still in school this week would have been sports week so I thought it very fitting to have this theme this week. Below are a selection of activities for you to complete this week. It would be lovely to see pictures of these activities on the blog or through emails.

As always, have a look at the recommendations as a family and pick which ones work best for you. Don't forget there are still 2do's on Purple Mash and activities on Spelling Shed and TT Rock Stars.

### English

This week you could focus on the theme of 'Sport'. Here are a few ideas of writing projects you could complete.

Visit the Literacy Shed for this wonderful resource on [The Catch](https://www.literacyshedplus.com/en-gb/resource/the-catch-ks2-activity-pack). Or, your child could write their very own celebration song. <https://www.literacyshedplus.com/en-gb/resource/the-catch-ks2-activity-pack>

Ask your child to choose a sports person they admire. Get them to write a list of questions they would like to ask them. They could answer in role as their hero. Ensure your child uses a range of question words.

Your child could devise their very own sport, including rules, equipment needed and a scoring system. Why not test the sport out?

BBC Bitesize post daily activities for English which you may also find useful.

### Reading

Here are some 'Sport' reading ideas.

Research and read online with your child about The Olympics. Which sport/s would they like to try? Why? Write 10 facts about The Olympics

Listen to these BBC children's sport podcasts. Or your child can look through newspapers/ magazines and list all of the sporting vocabulary they find. <https://www.bbc.co.uk/programmes/b03g64pm/episodes/downloads>

Ask your child to read this extract from Quiz Whiz Sport. Encourage them to answer the questions on each page and record these in full sentences

<https://www.lovereadings4kids.co.uk/extract/7810/Quiz-Whiz-Sport-by-Tom-Jackson.html>

If you would like more books to explore, head on over to <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page> to find their free e-book library.

## Maths

Here are some additional Maths ideas.

- Get your child to watch this video explaining coordinates and how to plot them using the x-axis first, then the y-axis.

<https://safeyoutube.net/w/8Iw6>

Set up a treasure hunt in your home/garden. Ensure your child knows where the origin (0,0) is and ask them to take 4 steps to the right and 7 steps forward to find the 'treasure' at (4,7). Change your instructions so you are just saying the coordinate and children have to move to the position independently

Set up a Times Table relay race. Can your child run lengths of a space and count in their times tables forwards and backwards

## Spelling

Following the theme of 'Sport', here are some additional phonics ideas.

- Task your child with choosing 5 sporting activities that they're unsure of how to spell and encourage them to learn to spell them. Can they apply these words into sentences?

Alphabetical order: List each letter of the alphabet and ask your child to think of a sport related word that corresponds with each letter

Practise spelling these words: myth, gym, Egypt, pyramid, mystery. Can your child identify the spelling rule? (The 'i' sound spelt 'y' elsewhere than at the end of words).

Proofread writing tasks from this week. Your child can use a dictionary to check any spellings that they're unsure of using the first 2/3 letters of the word.

## Topic

Our Sport Heroes- How many famous sports people can your child name? Ask them to choose a sports person and research online about them. Can they find out how and when they started their career, or any other interesting facts about them? Encourage your child to create a timeline that details all of the achievements of their sporting hero.

- Tissue Paper Sports Logo - Ask your child to use scrunched up tissue and paint to recreate the logo for their favourite sport team or design and create their own sport logo, perhaps for their school team. Your child could sketch this with pencils as an alternative.

- Super Movers! - Encourage your child to take part in this football themed Super Movers! There are two levels - Super Movers are a great way to keep active and have fun! Try Go Noodle and dance along to one of their routines - there's plenty to choose from and the whole family can join in! Remember to tweet a video of their workout #TheLearningProjects. Your child could design a poster encouraging others to take part in sporting activities. Ask them how they would persuade others to join in. What type of words could they use? Recommendation at least 2 hours of exercise a week.

- Sharing Sport Interests - Encourage your child to ask different family members about their favourite sports and any sports they took part in growing up - were they a part of any clubs? Did they take part in any competitions? Did they win any trophies? They might find out something new about their family members! Following this, can your child use the information to write a newspaper report recounting one of the memorable events? They could include quotes from the interview.

- Powerful Paralympians - You could explore diversity in sport with your child. Ask your child to find out about the Paralympic games and famous paralympians such as Ellie Simmonds. How have these people overcome challenges to represent their country in their chosen sport? They could write a letter/email to a

chosen athlete and ask them questions about their sporting journey. Or they could draw a detailed sketch of the athlete during a winning moment.

In Term 6, the children would have been learning the following SRE (Sex and Relationship Education) content had they been in school:

Year 3 How babies grow and how boys' and girls' bodies change as they grow older

Here are some of the things that have been happening at home this week.

Sonny drew this fantastic instrument whilst learning about music.

Daniel finished his brilliant sunflower painting.

Ellen made a spectacular salt dough unicorn

**Subtracting 2-digits**

Complete the subtractions.

1	$\begin{array}{r} 427 \\ - 23 \\ \hline 404 \end{array}$	7	$\begin{array}{r} 837 \\ - 18 \\ \hline 819 \end{array}$
2	$\begin{array}{r} 275 \\ - 63 \\ \hline 212 \end{array}$	8	$\begin{array}{r} 983 \\ - 46 \\ \hline 937 \end{array}$
3	$\begin{array}{r} 648 \\ - 24 \\ \hline 624 \end{array}$	9	$\begin{array}{r} 874 \\ - 29 \\ \hline 845 \end{array}$
4	$\begin{array}{r} 864 \\ - 63 \\ \hline 801 \end{array}$	10	$\begin{array}{r} 888 \\ - 92 \\ \hline 796 \end{array}$
5	$\begin{array}{r} 795 \\ - 64 \\ \hline 731 \end{array}$	11	$\begin{array}{r} 646 \\ - 73 \\ \hline 573 \end{array}$
6	$\begin{array}{r} 489 \\ - 71 \\ \hline 418 \end{array}$	12	$\begin{array}{r} 358 \\ - 84 \\ \hline 274 \end{array}$

Start by subtracting the ones in the right hand column.

Sarah-Leigh has been busy doing lots of work at home including this great maths!

Ethan has been creating some fantastic nets to build lots of great 3d shapes.

Thank you for all the fantastic photos this week I have loved looking at them on purple mash and receiving them to my email. Please keep them coming it is lovely to see what you are all up to.  
My email is [eupeclass@gmail.org.uk](mailto:eupeclass@gmail.org.uk)

Take care,  
Miss Hawkins
