Year 6 Term 6 Week 6

(week beginning 6th July 2020)

Hello South America Class. This week in school, we will be continuing with our Sex and Relationships Education lessons so take some time to talk to your parents about puberty and any questions you have about the changes in your bodies during this time. We will also be continuing to focus on Wassily Kandinsky and produce our own painted version of Kandinsky's art. Remember to send me photos of these if you do produce your own at home.

English

This week, I would like you to take a look at the literacy shed pack - The Game. <https://www.talk4writing.com/wp-content/uploads/2020/04/Y5-Unit.pdf> Choose some of the activities to challenge yourself. We will also be looking at writing letters in school to thank those people who have helped us succeed during our time at The Manor. If you would like to do this at home, I would love to see them.

Maths

In Maths, we will be using the Gareth Metcalfe *I See Reasoning* resources to practise our investigation and problem solving skills.

Take a look at these questions about negative numbers:

In addition, you can continue to explore Corbett Maths and consolidate and practise your knowledge of areas of Mathematics you find more challenging.

Transition

If you want to do some transition work to think about starting secondary school in September, there are some interesting activities on the Robin Hood Mat site <https://www.robinhoodmat.co.uk/learning-projects/> Look under the Year 6/7 Transition Learning Projects heading.

You can email me any of your work at SouthAmericaClass@sgmail.org.uk. I would love to see what you are learning at home.
