Upcoming Parent/Carer Consultation Evenings

Dear Parents/Carers

Parent/Carer Consultation evenings will be held on **Wednesday 6th April** and **Thursday 7th April** this term. As always, this is an opportunity to discuss your child's progress with their class teacher and share any questions you might have about their learning. We really cannot wait to share with you their many successes so far this term!

We are holding our parent consultations this term face-to-face, in school. There will be an opportunity to look through your child's learning in their books and then speak with your class teacher.

In order to book an appointment time, we are using an online booking form. When you make your choice, **please ensure you make a note of your appointment date and time** – due to the number of children in our classes, if you do not make your chosen time it is unlikely that teachers will be able to meet with you at a different time on those days, as they will be meeting with other families.

To ensure this booking process runs as smoothly as possible, we ask that you follow the guidance below.

- If you make an appointment but then need to cancel it, please do email the class account to inform the class teacher. Once you have made an appointment time, please do not book another without consulting the class teacher as your initial booking will still be in place.
- If you have children in multiple year groups, or siblings in the same class, you must repeat the booking process for each child. We ask that you do not book appointment times back-to-back to allow for time to move classrooms.
- Only available appointment times will be displayed i.e. if 3.40-3.50 does not appear on the list, the time shown has been booked by another family.
- Bookings will be made on a first come, first served basis.
