Year 3 Week 10

Hello Europe class! I hope you made a great start to your Term 6 home learning this week and are ready for another learning-packed week ahead! Thank you for your emails this week sharing your work.

I hope you are ready to get on with your home learning again. Below, I have outlined a range of activities for you to do this week. Don't forget to go on Purple Mash, Spelling Shed and Times Table Rock stars. I often write tasks on the weekly blog for you to complete or contribute to so please keep an eye out for those.

This week's pictures:

Fin has shared what he is good at and his brilliant qualities

Logan shared how he saved a grass snake

saw the wreckage and the Headmaster's gown, screamed and swooned into Mildew and Sponge's outstretched arms.

'I am quite all right,' said a familiar voice behind them.

They turned to see the Headmaster, his gown ripped asunder, standing on the other side of the room, smiling as usual, but shaking his head as he stared at the damage to his office.

Miss Pernickety recovered her senses immediately, got to her feet, straightened her clothes and disappeared back to her office without a word.
