Year 2 Term 5 2024/25

Welcome to Term 5 everyone! We look forward to a brilliant first summer term with you all. This newsletter will give you a brief overview of what your child will be learning about until the half term break. If you have any questions please speak with any member of the Senior Leadership Team in the morning or see your child's teacher at the end of the school day. If you think your conversation will require more time, please arrange a meeting with the teacher via the class email account.

As always, please email the main school account – manorprimary@sgmail.org.uk for any urgent matters or issues relating to attendance, school dinners, FOMS events etc. The class email is not read throughout the day as teachers are teaching and managing the class.

We would also like to remind our families that we are a nut-free school. Some of our children suffer with various allergies and so in order to keep everyone safe, we ask that you do not include food items containing nuts in your child's lunch box or as a break time snack. We would also like to reiterate that as your child is in KS1, they receive a healthy snack provided by school. We therefore ask that all children in KS1 (Year R – 2) **do not** bring in an additional snack. We also ask that no sweets, such as Haribo, are brought in at all. Thank you.

We ask that children come to school in their full school uniform. Please refer to our school website for further information on this - <https://www.themanorcofeprimary.org.uk/school-uniform>. Please also note our expectations on P.E kits – we have a supply of spare tops and jogging bottoms to lend to children if they are unable to wear the correct kit to school.

If you have any questions, please do get in touch.

English

In English this term we will be looking at *Milo Imagines the World*. We will be using this book as inspiration to tell our own stories from different character's viewpoints. We will also continue to focus on accuracy of writing – looking at spelling, punctuation and including expanded noun phrases and conjunctions to make our meaning clearer.

Reading

At the end of this newsletter, we have attached some question prompts you might want to use when you read with your child. If you have any questions about how to support your child at home please speak with your class teacher at the end of a school day.

Maths

In Maths this term we will be learning all about fractions! We will find fractions of shapes, fractions of amounts and start looking at equivalent fractions.

We will continue to focus on our calculations using different operations such as addition, subtraction, multiplication and division.

If you would like any information on how we teach these methods in class or guidance on how to support at home, please do not hesitate to speak to your class teacher.

Topic Subjects

Our Foundation Subject Topic this term is 'Midsummer Night's Dream'. We will be learning all about William Shakespeare and will be looking at his Midsummer Night's Dream play. We will also be recapping our understanding about the United Kingdom, it's four countries and their capital cities.
