

Home Learning

Year 2 Week 1

Welcome to our first weekly update, Africa class. We hope you have all made a fantastic start to your home learning. We are missing you all loads but we are so proud of everyone's efforts in continuing the amazing learning at home. Keep it up! 😊

Below are some ideas for activities next week in your home learning. Tell us how you get on with it on our Purple Mash Class blog. We'd love to hear all about your learning!

Finally, thank you to everyone who has sent photos to us of you learning at home. We will start to include some of these in next week's newsletter to help us all stay in touch and see what everyone is doing. Photos can be an example of some of the learning you have been doing - if your child is included in the picture we will take this as you giving permission for us to share this photo. If you do not want your child's image shared please do not include it on any photos you send us.

English

We'd love to hear all about your first week of home learning. In a letter, tell us what you've been up to whilst you've been at home. When you've written it, you can post it onto our class blog for your friends in class to read!

Spelling

Practise and test each other on these different Year 2 spelling words:

- again
- half
- money
- Mrs
- kind
- move

You may want to practise them by drawing 'rainbow words' - write the word many times using different coloured pencils.

Reading

Read Chapter 1 of Hodgeheg - a book on our reading spine. You may read it by yourself or ask an adult to help. Next week we will be posting some questions about what you've read! Use the link below if you don't have a copy at home.

<https://www.barhamprimary.co.uk/attachments/download.asp?file=764&type=pdf>

Maths

Arrange the numbers 1 to 6 in each set of circles below.

The sum of each side of the triangles should equal the number in the centre of the triangular shape.

Have a go at solving these number sentences. Draw diagrams to help you work it out.

$24 + 39$

$63 - 34$

$37 + 25$

$73 - 27$

$29 + 47$

$33 - 28$

How many different number sentences can you think of that give you an answer of 17? Can you find 15 possibilities?

Topic

Using this term's knowledge organiser (found on the website under class letters), tell your family all about Rosa Parks. You will have to explain what she believed in and what she did to change the world for the better!

Then, draw a comic strip to illustrate the story!

Times tables

Have a go at making your own times tables flowers. You can decorate them as you wish and put them around the house to help you learn your times tables facts. Remember, in Year 2, we have to learn our 2, 5 and 10 times tables.

Don't forget, Times Tables Rock Stars is an excellent resource for developing your fluency!

Gem Power

Challenge

Your Gem Power Challenge this week is to use your Ruby Power to carry out a random act of kindness. You may surprise a family member by offering to help them with something or you might even compliment them

Home Learning Stars of the Week

Each week we will be looking at our class blog, EdShed spellings and TT rock stars to spot our 'Stars of the Week'. Well done to the 12 children who have already logged on to EdShed. A special mention should also go to the three children below who have completed the most games – Cora, Isabella and Bodhi. Well done! Also, in the last month, 13 children have logged onto TT Rockstars and have improved their times tables knowledge! A shout-out goes to Evie, Cora and Harvey – you guys spent the most time on there! Great effort!

Remember, we also sent out a letter last week with a range of resources to explore in your own time. We also attached this suggested daily timetable that follows our usual school timetable.

Suggested daily activities:

9.00 – 10.30	TT Rockstars (10 minutes) Maths (choose learning from Robin Hood Mat, Gareth Metcalfe live lesson (KS2) or white Rose Hub, or Purple Mash maths section (approx. 1 hour))
10.30-11.00	Time to relax
11.00-12.15	Spelling shed/ Phonics Play (Y1) (10-15 minutes) Writing Choose a writing activity from Robin Hood Mat learning project (approx. 1 hour)
12.15 – 1.15	Lunch – this is a great opportunity to practice lovely table manners!
1.15-1.45	Reading – reading a book (use Purple Mash – Serial Maths if you run out of reading material. Try to read a mixture of both fiction and non-fiction. Additional reading activities can be found on the Robin Hood Mat page))
1.45-3.15	Wider Curriculum – please use resources that class teachers have added to Purple Mash or choose an activity from the Learning Project section on the Robin Hood Mat page. Try the daily workout Joe Wickes at https://youtu.be/K6r99N3kXME You can also follow the JIGSAW PSHE work we do at school - https://families.jigsawpshe.com/stuck-at-home/ Password: Home
