A huge well done to all the children for making such a brilliant start to Term 2. All of our children have come back energised and refreshed for another fun term in school. This week, we held an open morning for new prospective Reception parents/carers and it is always great to hear such lovely feedback about our wonderful learners. Our Year 6 children get given the opportunity to take part in these tours as they are the real experts who know our school best! They represented our school fantastically.

It may seem like a little while away now, but we have shared with you all our Christmas events dates that will be coming up in December so you can put them in your diary. There is an overview on the next page of this newsletter. It's going to be a fun-filled, busy couple of weeks with a whole range of activities taking place!

We rounded this week off with our Successful Learners celebration this afternoon. It was wonderful to hear the many number of reasons why those children were selected for this special award. A big well done to all of them!
